S'Mores

A camping trip just isn't complete without s'mores!

Place a large marshmallow on a square graham cracker. Next place a square of sweet chocolate on top of the marshmallow. After this, place the graham cracker on a baking sheet into a 250-degree oven for about 5 minutes or until the chocolate starts to melt. Remove the s'more and press a second graham cracker on top of the chocolate. Let cool for a few minutes and serve while still slightly warm.
