

# GOAL SETTING

## FOURTH GRADE

Name: \_\_\_\_\_

In fourth grade, most students transition from “learning to read” to “reading to learn”. Many students lose an interest in reading for fun, and may prefer comic books and magazines over other types of reading material. Silly and humorous poems, as well as books written in free verse, help remind fourth graders that words can be fun. We recommend that fourth graders start with 200 minutes the first month and increase by 50 minutes each month.

## Monthly Goals:

Month	Time Per Month
Example	200 minutes
October	
November	
December	
January	
February	
March
