

GOAL SETTING

KINDERGARTEN

Name: _____

In kindergarten, students are developing pre-reading skills. They enjoy books with interesting objects and bright colors, with stories about things they can relate to. Books that are predictable and patterned enable them to “read” stories by looking at the pictures and relying on memory. We recommend that each student reads for 20 minutes per night, five nights per week.

Monthly Goals:

Month	Time Per Month
Example	300 minutes
October	
November	
December	
January	
February	
March
